

## DIVIDEND INVESTING ALERT FOR THE WEEK ENDING 4/11/2014

**Dividend Investing**

We're not going to sugarcoat this week's downward volatility, but we do want to point out that the broader market indexes held up better than the headlines suggest. The S&P 500 index fell 2.7%, the NASDAQ lost about 3.1% and the Dow Jones industrial average gave back 2.4%.
