

# The Top Mutual Funds Over Five Years: Health Care Remains on Top

This week's AAI **Weekly Features** highlight these valuable AAI articles:

- **The Top Mutual Funds Over Five Years: Health Care Remains on Top:** Health care has not only remained the best-performing category, it now boasts seven of the 10 funds with the highest five-year returns.
- **The Right Type of Life Insurance for Your Estate Planning Needs:** Life insurance works well for estate planning because of when benefits are paid and the ability to create wealth for heirs outside of the estate.
- **Choosing the Right Portfolio Allocation Approach for You:** This overview of six common asset allocation approaches will help you determine which method will work best for your portfolio.
- **Using Stocks Instead of Bonds for Portfolio Income:** Maximizing consistent and predictable cash flow is key for meeting retirement objectives. Municipal bonds can help investors accomplish this.

The featured AAI stock screen this week is the **Estimate Revisions: Up 5%** approach.

Our **Member Question** for this week is:

*What do you think is the most important problem facing the United States today?*
