

Upcoming Chapter Meeting: AAI Albuquerque

Date: Thursday, November 14, 2013

Topic: How to Find the Next Super Stocks

Speaker: Amy Smith, Director, IBD Meetup Development & Market Commentator

What do all the super stocks have in common? These are stocks like Green Mountain Coffee Roasters, Netflix, Baidu, Chipotle Mexican Grill and Apple that made huge moves in the bull market that began in March 2008. Learn how to find stocks like these early in their run.
