

Upcoming Chapter Meeting: AAI Albuquerque

Date: Tuesday, November 13, 2012

Topic: Post-Election Strategies: What Now?

Speaker: Don Cassidy, President, Retirement Investing Institute

With the election results pointing the way for the lame-duck Congress and the 2013 power balance in Washington, what should investors and traders do both by December 31, 2012, and in the new year? How can we control our taxes with an eye to future possible bracket changes? What industries and commodities are most likely to be helped by, or hurt by, the political lineup coming in January? What's the longer-term economic scenario for investors?
