

Upcoming Chapter Meeting: AAI Central Florida

Date: Wednesday, September 18, 2013

Topic: "Buy and Trade" Replaces "Buy and Hold"

Speaker: Richard Suttmeier, Chief Market Strategist, ValuEngine, Inc.

With all of the recent market uncertainties, it seems that making the correct stock decisions can be daunting. Richard Suttmeier will describe the advantages of using software to aid in stock picking. ValuEngine.com (VE) is a stock valuation and forecasting service founded by Ivy League finance academics. VE utilizes the most advanced quantitative techniques and analysis.
