

# Upcoming Chapter Meeting: AAI Charlotte

Date: Saturday, January 12, 2013

Topic: What Were You Thinking?

Speaker: Rajah Chacko, Senior Java Developer, Wells Fargo; Member, AAI Charlotte Chapter

Some of us trade without a second thought, often with later regrets. Some of us agonize over our trades and regret the trades that got away. Some of us watch our portfolios with anxious hearts, and pull the rip cord too soon. We do the opposite of “cut your losses short and let your profits run”; we cut our profits short and let our losses run. Rajah Chacko will give us a big-picture view of trading and give us some insight into that very elusive process of our own thought processes.
