

# Upcoming Chapter Meeting: AAI Chicago

Date: Saturday, November 9, 2013

Topic: Exit Strategies for Covered Calls

Speaker: Alan Ellman, President and Founder of The Blue Collar Investor

In this presentation, Alan Ellman will discuss topics that include put selling and a few core principles related to covered call writing exit strategies. Ellman also provides an overview of how to manage stocks that have gapped down, how to use multiple exit strategies in the same month and how to manage the early exercise of options. The presentation also outlines different exit strategies, with examples, for calls that are either prior to or near expiration.
