Topic: The Hidden Investment Genius of John Maynard Keynes

Speaker: John F. Wasik, Financial Columnist, Reuters, and Author of "Keynes' Way to Wealth"

Warren Buffett, George Soros, David Swenson. What do these investment savants all have in common? They were inspired by the investment success of the great economist John Maynard Keynes. Yes, that Keynes. Few investors know how Keynes endured some of the worst markets in history to pioneer some key techniques in value and behavioral investing. Based on the research for his new book "Keynes' Way to Wealth," the author John F. Wasik will distill some of the most profound investment insights that the economist developed.
