

## Upcoming Chapter Meeting: AAI Chicago

Date: Saturday, February 22, 2014

Topic: Investing With Volume Analysis: Turn Up the Volume

Speaker: Buff Dormeier, CMT, President and Founder of VolumeAnalysis.com

If price is the market's testimony, then volume must be the market's polygraph. More than any other indicator, volume tells you the real force and extent of investor's convictions about present prices. By reading the market's volume-oriented "lie detector tests," you can uncover market trends sooner with more reliability and thus can position yourself to capture the profits those trends might deliver.
