

# Upcoming Chapter Meeting: AAI Chicago

Date: Saturday, January 19, 2013

Topic: What's Inside Your ETF?

Speaker: Michael Rawson, CFA, ETF Analyst, Morningstar, Inc.

In this presentation, Michael Rawson will discuss how to analyze exchange-traded funds (ETFs) and why you should not just rely on the name of the ETF before investing. ETFs that offer exposure to different asset classes can have different tax treatments and may not give you the exposure you expect. Rawson will conclude with a discussion of ETF investment ideas for the current environment.
