

## Upcoming Chapter Meeting: AAI Connecticut

Date: Thursday, November 15, 2012

Topic: Investment Outlook in a Post-Election Environment

Speaker: Sam Stovall, Chief Equity Strategist, S&P Capital IQ

Do prices truly lead fundamentals, implying that the trajectory for global economic growth and corporate earnings will be improving in the coming months, or is this merely a “bull trap,” luring back the bulk of optimistic investors just before another crushing leg down? Come hear Sam Stovall, S&P Capital IQ’s chief equity strategist, discuss headwinds and tailwinds in his “Investment Outlook in a Post-Election Environment” presentation. He will also share with you two winning investment strategies from his book “The Seven Rules of Wall Street” (McGraw-Hill, 2009) that utilize international sector exchange-traded funds.
