Topic: Building a Dividend and Income Portfolio With ETFs

Speaker: Ron Rowland, President, Capital Cities Asset Management Inc.; Editor, All Star Fund Trader; Editor, International ETF Trader

Every day, more investors are moving from the accumulation stage to the distribution phase of investing. Instead of optimizing for growth, the priority becomes a reliable and growing income stream. The proliferation of new investment products such as exchange-traded funds (ETFs) now makes it feasible to build a portfolio having these attributes. You must exercise care when building a sound, diversified portfolio that meets your objectives.
