

## Upcoming Chapter Meeting: AAI Denver

Date: Wednesday, January 25, 2012

Topic: How You Can Profit From the Coming Transformation in Investment Management

Speaker: C. Tom Howard, Ph.D., CIO and Co-Founder, AthenaInvest

A recently retired finance professor at the Reiman School of the University of Denver, Tom Howard is not your typical academic: he does not say “be passive and index”; he does not follow the efficient markets hypothesis; he actually has developed a method for beating the market by selecting individual stocks! Howard will share his approach with us and will highlight some currently favored selections...
