

Upcoming Chapter Meeting: AAI Houston

Date: Saturday, December 7, 2013

Topic: Investing in Uncertain Markets

Speaker: Don Lansing, Founder, Lansing Investments; CIO, MarketTrend Advisors

Don Lansing does not embrace risk. As such, he is focused on investing strategies that seek to minimize volatility in pursuit of returns. He will talk about his pursuit of investment portfolios that minimize exposure to risk and provide consistently solid returns with minimal maintenance. Along the way, Lansing will touch on the current state of markets and the economy and how to build an investment strategy that you are comfortable with.
