

# Upcoming Chapter Meeting: AAI Long Island

Date: Wednesday, September 18, 2013

Topic: Rising Interest Rates: Risks and Opportunities in Dividend-Paying Stocks

Speaker: Mark Skousen, Ph.D., Editor in Chief, Forecasts & Strategies

The recent rise in long-term interest rates represents phase two of Wall Street's switch from bonds and commodities to stocks. In this presentation, Dr. Mark Skousen will analyze the impact of rising interest rates on various markets: stocks, bonds, real estate and commodities.
