

Upcoming Chapter Meeting: AAI Los Angeles

Date: Saturday, November 16, 2013

Topic: Is the Secular Bear Starting to Growl?

Speaker: Don Richner, CFP, Vice President, Churchill Management

If “buy and hold” does not work in a bear market, how can you utilize a tactical portfolio in your investment plan? Which indicators should you focus on to help you make the tactical decision to go to cash or to get back into the market? Don Richner will discuss these issues and more, including where he thinks we are in the bull/bear cycle.
