

# Upcoming Chapter Meeting: AAI Milwaukee

Date: Thursday, November 15, 2012

Topic: Alternative Investing for Risk Management

Speaker: Brent Pahnke, Retirement Solutions

As the stock market swings up and down on a daily basis, human nature takes us on an emotional roller coaster. Our speaker, Brent Pahnke will help you to create portfolios that can stand the test of time and smooth out that emotional roller coaster ride. You will learn to combine traditional investments side by side with unit investment trusts and non-traded alternative investments that will allow you sleep better at night knowing that your entire portfolio isn't tied to the day's results in the stock market. Brent will share with you the benefits of unit investment trusts (UITs) along with some alternative investments.
