

Upcoming Chapter Meeting: AAI Northern New Jersey

Date: Monday, September 9, 2013

Topic: Understanding Price Movements

Speaker: Lazlo Birinyi, President, Birinyi Associates

Lazlo Birinyi will present an update on the markets and money flows as well as investing in the current environment. The three points Laszlo will discuss include why investors are the world's worst consumers, why investors are on their own in the marketplace and a discussion of the Wall Street oxymoron: "research and analysis."
