

## Upcoming Chapter Meeting: AAI Orange County

Date: Saturday, November 23, 2013

Topic: Best Internet Investment Sites 2013

Speaker: Don Gimpel, Chairman, Los Angeles AAI Computerized Investing Special Interest Group

Don Gimpel will discuss the following topics augmented by using the Internet for the information: answers to significant balance sheet information, how well the U.S. economy is expected to do in the next 18 months and the “experts” batting average (not too good). Additionally, Gimpel discusses how to get access to the “experts” that really count, market sector over/under valuations, the best momentum strategy and an outlook for the world situation 25 years from now.
