

Upcoming Chapter Meeting: AAI Orange County

Date: Friday, May 18, 2012

Topic: My Favorite Growth and Income Investments After the Euro Crisis

Speaker: Mark Skousen, Ph.D., Editor, Forecasts and Strategies

Mark Skousen will discuss whether or not the positive early-year market effect will carry over into the rest of 2012. We will hear why interest rates must go up, and when they do, which stocks and funds will benefit the most and what investments will be hurt. Skousen will include a discussion of a popular current topic regarding the November election and how the results will impact investments.
