

Upcoming Chapter Meeting: AAI Phoenix

Date: Saturday, March 10, 2012

Topic: The Art of Profitable Income Investing

Speaker: Kenneth G. Winans, President and Founder, Winans International

While common stock and real estate investors are still making up lost ground, investors in preferred stocks and corporate bonds have enjoyed record returns. We will cover time-tested rules for successful income investing, as well as the benefits of investing in preferreds stocks and how to properly integrate income investments into your portfolio. Come and listen to the person who literally wrote the book and built the benchmark for preferred stocks.
