

## Upcoming Chapter Meeting: AAI Portland

Date: Tuesday, October 30, 2012

Topic: Commodities for the Individual Investor

Speaker: Jeffrey M. Christian, Managing Partner, CPM Group LLC

The presentation will discuss the suitability of commodities in investment portfolios, including the potential for profit generation and the effects of commodities investments on overall portfolio performance and relative stability. Discussions will include physical precious metals, futures and options across commodities, and commodities-related equity and structured products. The presentation will also discuss current conditions and trends in commodities markets as they relate to the present suitability of commodities investments.
