

Upcoming Chapter Meeting: AAI Portland

Date: Tuesday, September 17, 2013

Topic: The Investor's Quest: Obtaining an Edge

Speaker: Raymond A. Rondeau, President, AAI Boston Chapter

Successful investors are those who remain attentive in recognizing dynamic transitioning periods while also being able to customize their techniques to what is currently effective during each time period. We are now in a "trader's market environment." The good news is that many of the basic and most important concepts that will be covered in this presentation can easily be learned and applied by anyone, without the need for any specialized software or costly training.
