

Upcoming Chapter Meeting: AAI San Francisco

Date: Saturday, May 19, 2012

Topic: Financial Roundtable Seminar: Market Projections for the Second Half of the Year

Speaker: Harvey Baraban, Former CEO, Baraban Securities

Former Wall Street CEO, educator and investing guru Harvey Baraban will present his popular seminar for AAI members today. Baraban will share his inside secrets for successful investing and where the best opportunities for profit in the markets are now. With timely, market-sensitive information, Baraban will review current world events and the opportunities they present for your investment dollars, which will include stocks, foreign markets, metals, oil and bonds. This program will provide anyone who owns stocks, mutual funds or bonds with insight into market behavior and a sense of what to do now and in the coming months.
