

## Upcoming Chapter Meeting: AAI San Francisco

Date: Saturday, September 21, 2013

Topic: Investment Opportunity: The Last Two Hundred Years, and the Next Eight

Speaker: Bill Ragsdale, Editor, Good Fortune Advisory Letter

Ragsdale will show how the integration of social trends developed by William Strauss and Neil Howe, the company valuation of Michael A. Alexander, the market valuation from Robert J. Schiller and the Reinhart and Rogoff debt theories present a consistent picture of stock bull/bear market periods and show the way for the next decade. Ragsdale will examine the investment opportunities and appropriate methods to face the difficulties still ahead. He will pass on a tip on how to spot major market reversals at two to four intervals.
