

## Upcoming Chapter Meeting: AAI San Francisco

Date: Saturday, November 16, 2013

Topic: ETF Rotation: Backtesting and Live Account Management

Speaker: Jackie Ann Patterson, Editor and Publisher of BackTesting Report; Founder of Own Mountain Trading Company

Jackie Ann Patterson's presentation will reveal the ups and downs of investing in exchange-traded funds (ETFs) using a simple strategy to select among top funds. The first half covers backtesting of ETF rotation strategies, including brand new data on an advanced strategy. Following that will be a discussion of lessons learned in the first year of live account management.
