

Upcoming Chapter Meeting: AAI Silicon Valley

Date: Saturday, January 11, 2014

Topic: Tracking the Fed in Transition

Speaker: R. Mark Rogers, Senior U.S. Economist, Econoday, Inc.

The Federal Reserve is in transition, trying to determine when and how fast to taper its quantitative easing (QE) programs with a new Fed chair. Rogers focuses on how to track Fed policy and the key economic news affecting Fed decisions. Unwinding the Fed's hugely expanded balance sheet will require innovative techniques; some likely but alternative scenarios will be discussed.
