

Upcoming Chapter Meeting: AAI St. Louis

Date: Tuesday, September 10, 2013

Topic: How to Profit in Uncertain Markets

Speaker: Ian Abbott, Owner, Abacus Financial Services

Brokers promote diversification as a safe strategy, yet it failed to protect investors during the last decade of multiple bear markets. Ian Abbott will explain how you can preserve and grow your investments by understanding invisible forces beneath the news stories. By broadening your allocation model and rotating with evolving leadership, you can profit from forces that move in predictable cycles that increase profit and reduce loss.
