

Upcoming Chapter Meeting: AAI Washington D.C. Metro

Date: Saturday, November 9, 2013

Topic: All I Need to Know About the Stock Market I Learned in Kindergarten

Speaker: Paul Townsend, Associate Vice President and Investment Officer, Wells Fargo Advisors LLC

Paul Townsend will be sharing the point and figure investment discipline of technical analysis. He will discuss investing across various asset classes including domestic and international stocks, sectors and commodities. Emphasis will be placed on the use of relative strength as a risk-management and decision-making tool. Paul will also share how to create a customized “tactical” portfolio using exchange-traded funds (ETFs).
