

Upcoming Chapter Meeting: AAI Washington D.C. Metro

Date: Saturday, October 20, 2012

Topic: Securing Your Lifetime Income Stream

Speaker: Bob Carlson, Editor, Retirement Watch

Americans increasingly are on their own to establish lifetime financial security. It's especially difficult in a time of zero interest rates and rising taxes. Bob Carlson shows how to develop a steady, reliable paycheck for life. He highlights the tools still available, the traps to avoid and new strategies that increase financial security.
