Organize files on your Android device.

This Week's Question

Do you think online retailers should be required to collect sales tax just like sales at brick-and-mortar stores?

- A) I am taxed enough as it is, the government needs to keep its hands off my Amazon orders!
- B) All purchases should be taxed the same, not matter if they are in a store or online
- C) I support some sort of middle ground, where online purchases are subject to a uniform sales tax
- D) Other (click [here](#) to voice your opinion)
