

# Upcoming Chapter Meeting: AAI Baton Rouge

Date: Thursday, February 9, 2012

Topic: Lessons Learned From the Market Downturns of 2000-2002 and 2007-2009

Speaker: Dr. Leonard E. Goodall, Co-Editor, No-Load Portfolios

The presentation will include a discussion of the two most recent market crises and what the individual investor can learn from them. It will point out how the two differ and how they are similar. Special attention will be given to what investors should do differently in the future. It will also discuss new investment products and strategies investors can use to enhance portfolio return, and of equal importance, to reduce portfolio risk.
