

Upcoming Chapter Meeting: AAI Charlotte

Date: Saturday, June 9, 2012

Topic: Using Investor's Business Daily to Maximize Your Profits

Speaker: Ed Ramirez, IBD Education Specialist, Investor's Business Daily

In an extensive study of the greatest winning stocks over the past 125 years, the biggest winners shared seven common characteristics before they made big price moves. Identifying these seven characteristics in companies today can help you find which stocks are most likely to be the next top performers. Attend this class and discover out how to quickly identify leading stocks while learning to make better buy and sell decisions.
