

## Upcoming Chapter Meeting: AAI Chicago

Date: Saturday, January 28, 2012

Topic: Fear, Greed and Volatility in the Capital Markets: Its Impact on Investing and Estate Planning

Speaker: T. Lawrence Doyle, Executive Vice President, Vestor Capital Partners, LLC

This presentation will explore the impact that emotions, investor behavior and other, less obvious, variables have on investment results in the capital markets and identify how specific estate planning techniques can be utilized in order to benefit from the current market volatility. We'll also identify a number of areas of concern where both novice and professional investors have significant, and potentially unknown, levels of capital exposure...
