

# Upcoming Chapter Meeting: AAI Long Island

Date: Wednesday, October 16, 2013

Topic: Generating Income With Options

Speaker: Joseph Burgoyne, Director of Institutional and Retail Marketing, The Options Industry Council

Options are financial tools that allow investors to increase portfolio returns by implementing certain strategies. The presentation will cover the popular covered call strategy, put selling, and calendar spreads, analyzing the risks and rewards of each. Option pricing will be reviewed.
