

## Upcoming Chapter Meeting: AAI Phoenix

Date: Saturday, November 2, 2013

Topic: How to Get the Highest Returns With the Least Effort

Speaker: Sheldon Jacobs, Author and Founder, No-Load Fund Investor

Sheldon Jacobs' talk covers basic strategies for low-stress, profitable investment, including the five essentials that investors need to concentrate on and what they can safely ignore. He outlines his "two-fund solution" —how to get average to above-average investing results by owning only two funds—and explains why the new fundamentally-weighted index funds will prove superior to cap-weighted indexes. Jacobs also explains how to use the media to get the best advice and recommendations, and why clear thinking can improve investing results.
