

# Upcoming Chapter Meeting: AAI Research Triangle

Date: Saturday, October 12, 2013

Topic: Profit From a Rapidly Changing World This Year and Next

Speaker: Robert Hsu, President, Absolute Return Capital Advisors, LLC

As growth in Europe and America slows, much of the world had been counting on emerging markets such as China and India to be growth engines for the global economy, but both economies are also slowing down. In a zero-interest rate environment, how can investors generate enough returns to retire? International money manager Robert Hsu will share with you his strategies that earned solid double-digit average annual returns by profiting from major global trends that will continue into 2014.
