

# Upcoming Chapter Meeting: AAI Silicon Valley

Date: Saturday, February 11, 2012

Topic: Process-Driven Investing Using ETFs

Speaker: F. Chris Greene, CFA, Founder, ETFreplay.com

While you may be interested in adding an ETF program to your portfolio, you are likely unsure on how to proceed with your research. Chris Greene will review specific techniques for ETF investing. He will present a process for testing your ideas before you put your hard-earned money to work. Greene will also discuss advanced portfolio-management techniques that allow you to participate in uptrends while avoiding large drawdowns.
