

Upcoming Chapter Meeting: AAI St. Louis

Date: Thursday, September 6, 2012

Topic: A Structured Approach to Fundamental Stock Analysis

Speaker: Doug Gerlach, Editor-in-Chief, Investment Advisory Service

What are the keys to successful fundamental stock selection? Doug Gerlach, president of ICLUBcentral Inc., and editor-in-chief of its Investor Advisory Service (IAS) newsletter, will present the structured approach to stock analysis used by his IAS analysts and customers. He will focus on key factors that reveal a company's true underlying growth and quality, as well as how to determine a realistic valuation model for its stock.
