

Upcoming Chapter Meeting: AAI Twin Cities

Date: Thursday, October 24, 2013

Topic: Facts, Theories, Myths and Folklore: Finding the Keys to Growing Wealth

Speaker: Herbert S. Schechter, CPA, Managing Director, Minneapolis Portfolio Management Group, LLC

In this presentation, Schechter will expose the fallacies of popular investment theories and methods by following evidence of what works and what does not. The dynamics of globalization continue to create benefits as well as drawbacks, and opportunities as well as challenges. As global conditions change, investors cannot rely upon their past experiences to chart the way to grow wealth in the future.
