

# Upcoming Chapter Meeting: AAI Washington D.C. Metro

Date: Saturday, February 18, 2012

Topic: Big Yield Hunting on Deadly Ground

Speaker: Roger Conrad, Editor, Canadian Edge; Editor, Utility Forecaster; Co-Editor, MLP Profits

The keys to getting the most out of dividend-paying stocks, and avoiding the pitfalls, are diversification, balance and focusing on quality. Roger Conrad will explore a range of sectors drawn from the extensive coverage universes of his advisories, from Canadian high-income stocks to U.S. utilities and master limited partnerships, highlighting the best and worst.
